## SCIENTIFIC COMMUNICATIONS

The Scientific Committee welcome the submission of abstracts for consideration as oral or poster presentations. Delegate are encouraged to submit abstracts for free paper / poster presentations online at or via [www.msohns.com](http://www.msohns.com). Please log-on to our website for full details on how to submit abstracts. Please read the guidelines carefully before writing your abstract. Only Abstracts that conform to the given guidelines will be accepted.

### GUIDELINES FOR SUBMISSIONS OF ABSTRACTS

- Abstracts are to be submitted in English.
- Organise the abstract under the headings: Title, Researchers (underline the Principal Investigator), Institution, Background, Objectives, Methods, Results and Conclusions.
- Abstracts of case report will have the heading 'Report' instead of 'Objectives', 'Methods' and 'Results'.
- Abstracts must be accompanied by payment of registration fees. If the abstracts is subsequently not accepted for presentation, the registration fees will be refunded to the author in accordance with the cancellation policy.
- Scheduling details and guidelines for the final preparation of accepted presentations will be included with the notification of acceptance.
- The final selection will be the responsibility of the Scientific Committee.

### ABSTRACT PREPARATION AND SUBMISSION

- Abstract can only be submitted via the online submission system.
- Abstract should be formatted using the template in the website.
- Abstract is 300 words (not inclusive of title and authors names).
- Title must be in bold capital letters at the top of the abstract.
- A maximum of five authors can be listed under author(s) name and institution.

## SCIENTIFIC COMMUNICATIONS

### E-POSTER PREPARATION & SUBMISSION

#### Instructions For Poster Presentation

- Abstracts selected for posters will be presented as e-Posters during the Congress. All e-posters must be submitted electronically through the website. Kindly visit the website [www.msohns.com](http://www.msohns.com) for more information. Authors will receive an e-mail with all technical information and details of the e-Poster presentation prior to the event. Important: you must keep the size of your PDF to 1mb and below. The system will reject files that are larger than 1mb. The pdf save/export options will have settings to minimise file size when it exports.
- e-Posters will be displayed on 40 inch LCD monitors.
- Deadline for submission of Abstracts: **14<sup>th</sup> May 2023**
- Selected posters will require the presenter to participate in a 3 minutes poster discussion and 2 minutes Q&A.

You are encouraged to submit your e-Poster as early as possible in order to avoid the deadline congestion that is expected. Server congestion could result in inconvenience such as slow service or in worst case scenario, failure to submit your e-Poster.

Your e-poster should be produced using the PowerPoint Poster template which will be provided. The content of the presentation should be of a single side. E-Posters of different dimensions may be skewed / stretched / truncated when displayed on the e-Poster monitors unless that conform to the template.

**Deadline for Submission of Abstracts : 14<sup>th</sup> MAY 2023**
